**Father-Daughter Dinner Dance "Rock the Red Carpet"
Saturday, March 13th 6:30—10:00 pm Social Center**

Dear Families,

I'd like to ask for prayers again for my husband, Bill, who is having quadruple by-pass surgery this morning. We really appreciate all the support and prayers for his last surgery. I'm hoping there won't be any surprises this time. So, thank you in advance for your prayers. I will be out most of this week. If you need anything, please see Miss Silvia or Mrs. Horning.

At our faculty/WASC mtg on Friday, we decided to make every Wednesday a "Workout Wednesday." This means that our AM recess will be extended 10 minutes. All students must be part of an activity of Kick Ball, Jump rope, (regular or Double Dutch), Basketball, or walking. Besides being a fun time, students and faculty will be getting a bit more exercise. Please also remember the walking club who walk on the field every Tuesday and Thursday at 7:00am. This is another good way to get a bit more exercise.

Because I was able to get a year's extension on our Accreditation for WASC/WCEA, we will be working diligently on our required reports and activities for next March, 2011's accreditation. This past Friday was our first full day of meetings. The next day that we will meet is Monday, May 3rd. This will be a day off for the students, but a full work day for the teachers. These 2 WASC work days are recommended by the Schools Office in order for the faculty to have long periods of time to discuss and to write the required reports. So, please mark your calendars for May 3rd.

I look forward to meeting with you on your registration day. Please keep the word of mouth advertising going. We'll start open enrollment on Monday, March 22nd. It will also be on our website.

Have a wonderful week and God bless you and your families.
Mrs. Jeanne Pate
